Call for Papers

Special Session On

**SS10: Decarbonization Methods, Policies, and Tools
for a Sustainable Energy Transition**

*****All presented papers will be considered for further review and publication in IEEE Transactions on Industry Applications**

Dear Students, Faculties and Researchers,

We are pleased to invite you to submit your research papers to our Special Session " **SS10: Decarbonization Methods, Policies, and Tools for a Sustainable Energy Transition**," as part of the **IEEE 5th International Conference on Sustainable Energy and Future Electric Transportation (SEFET-2025)**, scheduled to be held at **MNIT Jaipur, India, from July 9–12, 2025**.

This special session aims to explore recent innovations in India's energy policies, decarbonization pathways, and sustainable development goals (SDGs). The topics of interest include, but are not limited to:

- **Circular Economy in the Sustainable Energy Domain**
- **Decarbonization in the Power & Energy Sectors**
- **Energy Modelling and Policy**
- **Energy System Optimization and Multi-Criteria Decision-Making**
- **Energy Transition Policies and Regulations**
- **Smart Energy Management System**
- **Global Renewable Energy Policy Studies**

We encourage researchers, practitioners, and professionals to contribute cutting-edge research that addresses these topics or close to the mentioned topics.
